Special Council Meeting Minutes
November 11, 2021

The mayor called the meeting to order at 6:30 pm Thursday, November 11, 2021.

Those present:

Mayor Richardson
Councilman D Burke
Councilwoman King
Councilwoman Harrison
Councilman Datwyler
Councilwoman Weight
Councilman R. Burke
Public Works Director – M Bradley
City Clerk – D Swager
Water system operator- C Scott
Kellers: J Mullen; M Fielding; B Keller
Councilman Elect- V Orme

Keller's presented a power point presentation of covering Keller's personnel and qualification; specific needs of a water tank; various types of tanks (steel and concrete); Keller's prior clients of tanks of both types and various sizes of tanks.

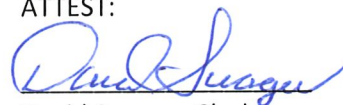

Council during the presentation asked various questions. The location of the tank on 4000 E/200 North on the property with well #5 will need to be recessed below ground to comply with the agreement the city had with the LDS Church that when a tank was constructed it would not be totally above ground. Keller's is doing a water study which will demonstrate the capacity the city will need to provide for peak demand and fire flow protection.

Meeting adjourned: 8:00pm
