

MINUTES
RIGBY PLANNING AND ZONING COMMISSION
March 24, 2005
7:00 PM

Members present: Acting Chairman Kelly McKamey, Gerd Zimmermann, and Bill Millet. Karen Durst was excused. Also present was Planning and Zoning Secretary, Linda Radford, and Kurt Hibbert, Community Planner. The meeting began at 7:21 P.M.

Members discussed the survey that Lawrence Blackburn had drafted. Some questions were changed or moved to another section and comments suggested by City Attorney Steve Clark were incorporated into the document.

Since there were only three members present, Kurt asked that the other subjects he had planned to discuss be moved to the next scheduled meeting on April 14th. The need to meet after regular meetings in addition to the work meetings was suggested so that P&Z can meet the proposed deadline for completion in August. It will be placed as an item on every agenda and the April 14th hearings, the board will approve or disapprove the community survey and work on other aspects of the comprehensive plan.
